Dear Sir/Madam;

My name is Mohamed Ahmed Said; I'm Finance control Manager for Andalusia Group for medical services. I have about 10 years of solid practical experience and educational certificates in the field of finance and business management.

I am responsible for finance controller-ship, business development and reporting functions. In addition, I have the responsibility of revision and analysis of financials on a monthly basis and periodic variance reporting among Andalusia Groups' business units. Also, I'm responsible for other compliance and assurance responsibilities to validate the effectiveness of the policies and the efficiency and accuracy of finance department performance.

I have the required competencies for the leading of finance functions including, but not limited to, good analytical thinking, sensitive to accuracy, timeliness, self-motivated, ability to perform under pressure, excellent communication skills and execution abilities.

I would like to explore my previous experience and scientific knowledge which provides the technical and managerial potential you require.

Thank you for your consideration.

Sincerely,

Mohamed Ahmed Said
